Projects

I. Arbor Day, Friday, April 25

SUA gathered at Austin High School with the Go Green Club. An Ironwood tree was planted as ten students watched on how to plant a tree properly. Information was also given out. Also during this time, SUA continued a program where every board member who serves five years is honored with a spruce tree planted. Two were planted honoring Chris Stepp and Bill Hines McLaine. The total cost for the two events was \$500 and the value for the community is \$700.

South Grove Park, July 1

With several new board members joining SUA in 2015, President Chris Stepp conducted a workshop about proper tree planting and the park gained another tree. Total cost was \$120 and the value to the community is \$168.

II. Friday, October 9

SUA teamed up with the Modern Woodman Fraternal Group to plant trees at the Farmers Market site located at Oakland Avenue East and 3rd Street NE. Six trees were planted including maple, ironwood, oak and catalpa with a \$800 budget split evenly. Dolan's Landscape provided considerable discounts from the retail value of \$1200. Modern Woodman provided five adults and seven children plus four SUA board members. The total cost was \$800 but the value to the community is \$1680. Park & Rec was again a good partner augering the holes, staking and initial watering. SUA volunteers mulched the trees the following day.

Saturday, October 10

The Tree Trek that was started in 2014 to celebrate SUA's 25th Anniversary was expanded by 8 more trees and spruce and 2 trees that needed to be replaced. This now totals 60 trees of different varieties. Sod was removed and Park & Rec augered the holes and helped SUA with site selection and staking the trees. Seven adults and two children helped with sign preparation, placing the signs, planting the trees and mulching. The total cost was \$1152 for the trees and delivery, \$235 for removing the sod and mulch and \$81 for the signs. The total cost was \$1468 but the value to the community is \$2202.

Projects continued

III. Saturday, October 10:

The South Main Project with the bronze sculpture, trees and other landscaping is a project established over several years. The landscaping around the sculpture needed an overall update. Volunteers from SUA and the Windom 4-H spent over 80 hours of planning, site preparation, and the actual planting of a variety of shrubs and perennials but with a focus on low-maintenance. Austin Park & Rec and Dolan's Landscape Center were very helpful in the successful completion of this project. The total cost was \$615 but the value to the community is \$1537.70. The Windom 4-H will do ongoing maintenance.

Honorary Trees

For 2015 there were 8 trees planted and one that was adopted that SUA had planted in 2006. Donors sometimes exceed what is required so \$1760 was donated but the actual cost of the trees was \$1071. Austin Park & Rec planted all the honorary trees and the value to the community is \$1506. The following is a list of the 2015 Honorary Trees:

Resource Development

A thankful appreciation goes to our 2014 financial supporters. They are the Austin Daily Herald, the Austin Utilities, those who participated in the Spruce Up Austin Honorary Tree Program, Hormel Foundation, City of Austin, The Len Astrup Family, Kwik Trip of Austin, and Dave Hillier. Several years ago, SUA received a significant donation from the Lydia Lein Estate which made the Tree Trek financially possible.

Maintenance

2015 was a busy one for our 6 maintenance groups. Everyone was busy weeding, pruning and mulching their areas. We had one major project that included our entire board. We worked with the 4-H group that maintains our major project on South Main Street. We also worked with Park and Rec and Dolan's Landscaping. Brian and Josh from Dolan's helped select low-maintenance plants for replacements of some that had died out and gave the group some on-going maintenance education. The 4-H group will continue to maintain the area. We worked hard...and had lots of FUN!

Appreciation

Spruce Up Austin gives our continued thanks to Austin Parks and Recreation department, our local nurseries for their cooperation, and our various donors. The greatest asset of SUA is its board members' dedication and length of service. A special thanks to the board for their dedication, good humor, and hard work throughout the years.
