

Spruce Up Austin Honorary Tree Registry

Spruce Up Austin has been helping citizens plant honorary trees on public property since 1995. Honorary trees can be planted for many reasons, memory of a loved one, birth of a child, special anniversary, and recognition of service. SUA will help coordinate the planting of an honorary tree from selection of tree to location. We will plant the tree for you, or assist you in planting. All honorary trees planted through Spruce Up Austin will be listed on our honorary tree registry which will be permanently located in the Kiosk at the Mill Pond.
