

Spruce Up Austin Tree Program Application

www.spruceupaustin.org

Tree planting can be a suitable recognition for many reasons: memory of a loved one, birth of a child, special anniversary, or recognition of service, for example. Our tree program has two options.

Please select an option:

<input type="checkbox"/> Option 1: Honorary Tree Program The Honorary Tree program allows a new tree to be planted on approved public property. The honoree's name is then documented on the honorary tree listing in our kiosk located at East Side Lake. Minimum Honorary tree donation \$150* (Spruce Trees \$200)	<input type="checkbox"/> Option 2: Tree Trek Adoption Program The Tree Trek Adoption program allows the adoption of an existing tree along the SUA Tree Trek, a three quarter mile walkway along East Side lake. The honoree's name is noted on signage next to the tree. Minimum Tree Trek donation \$50 (Entire Tree \$250)
